Lanang Raksagumilang

profile

Lanang Raksagumilang adalah anak kedua dari dua orang bersaudara. Saya mencintai dunia grafis sudah sejak lama, semenjak yang saya tahu hanya corat-coret di kertas dan berangan-angan untuk menjadikan coretan itu sebuah karya yang lebih indah dengan komputer. Kecintaan dan angan-angan saya tersebut membuat saya mengambil jalur pendidikan vokasi semenjak sekolah menengah atas, dimulai dari mempelajari bidang Multimedia saat SMK hingga Desain Grafis saat saya menjalani perkuliahan.

Hingga saat ini saya masih cinta, dan akan berusaha menggeluti dunia ini dengan (semoga) sepenuh hati. Dan saya akan terus belajar mendalami bidang desain karena saya selalu merasa tidak cukup setiap melihat desain yang dapat membuat saya terkagum. Semoga dengan portfolio kumpulan karya-karya saya ini dapat menjadi tolak ukur dari kemampuan saya dan menjadi referensi yang baik bagi desainer lain.

Terima kasih^^
